Entrants are required to complete the entry form by submitting a unique and innovative home energy savings tip, in 1000 characters or fewer, and one (1) original, color digital photograph (not exceeding 2 MB) that depicts the energy savings tip submitted.

2a. Entry Guidelines and Restrictions: Only one (1) entry per person, regardless of method entry. Only one (1) entry per email address will be permitted. Subsequent attempts to submit an entry using the same e-mail address will be VOID. Possession of entry and/or electronic file of the entry does not constitute valid proof of submitting the entry into the contest. Use of any robotic/automated system or agent to submit entries is prohibited and will result in disqualification. Online entries are deemed made by the authorized account holder of the email address submitted at the time of entry. The "authorized account holder" is deemed the natural person who is assigned to an email address by an Internet access provider, service provider or other online organization that is responsible for assigning email addresses for the domain associated with the submitted email address. Potential winner may be required to show proof of being the authorized account holder. All entries submitted become the sole property of Sponsor. By participating, entrants agree to be fully and unconditionally bound by these Official Rules and Sponsor's decisions, which shall be final.

Any attempt to enter the contest that is made in a manner other than as permitted in this Section 2 will, upon discovery thereof by Sponsor, be deemed VOID and ineligible. Sponsor is not responsible for computer, technical or transmission errors or problems; lost, late, incomplete, damaged, stolen, misdirected, illegible, or inaccurate entries; or for incorrect or inaccurate entry information; or any other technical, human or other problems or errors that may occur in connection with this contest. Sponsor shall have the right, at its discretion, to disqualify any entries that they deem to be obscene, defamatory or otherwise not in good taste. Any use of entry methods prohibited by these Official Rules may, upon discovery thereof by Sponsor and at Sponsor's sole and absolute discretion, VOID some or all entries made by such methods and subject entrant to disqualification from further participation in the contest and/or any future Sponsor contests or other promotions. No changes to any entry materials or information will be permitted once submitted.

3. How to Win: Determining a grand prize winner of the contest will be a two (2) step process. First, all entries and supporting materials will be evaluated by a panel of qualified judges, selected by and under the supervision of Sponsor, on the following criteria: (1) originality of energy-saving tip – 50%; (2) uniqueness and creativity of energy-saving tip – 25%; and (3) effectiveness of expressing the contest theme in the submitted photo (the entrant’s suggested unique and innovative energy saving tip) – 25%. Judges will select four (4) finalists on or before Sept. 11, 2016, who will be eligible to win the grand prize. In the event of a tie, an additional “tie-breaking” judge, also selected by and under the supervision of Sponsor, will determine the potential finalists based on the stated criteria. The judges’ decision will be final and binding in all matters relating to this contest. Four (4) finalists will be notified by email, telephone, mail and/or overnight express mail and will be asked to submit a signed affidavit of eligibility and proof of home ownership (the “Finalist Documents”) via email (scanned copy) or fax within 48 hours of notification and send the original forms within seven (7) days following Sponsor’s notification (if applicable) by U.S. mail. If a finalist cannot be contacted using the contact information provided on the entry, or if Sponsor does not receive the Finalist Documents from a finalist within the allotted 48 hour time period, or if a finalist does not qualify, then that finalist will be disqualified and the entry with the next highest score will be selected to be one of the (4) finalists.

Following the initial judging phase, four (4) finalists will participate in a head-to-head vote located on the [Sponsor’s contest website](#). The contest voting period will begin at 12:01 a.m. ET Sept. 12, 2016 and will remain open until 11:59 p.m. ET Sept. 18, 2016. Voters may submit one (1) vote throughout the duration of the voting portion of the contest. The finalist with the most votes at the end of the voting period will be declared the grand prize winner. Any attempts in any manner by any person to vote more than the number of times authorized herein or to compensate individuals for engaging in activities online that directly affects an entry’s votes, shall result in disqualification of all such votes and may result in the disqualification of any involved finalist(s), if applicable, at the Sponsor’s sole discretion.

Sponsor will reveal the official grand prize winner on or before Sept. 28, 2016 on the [contest website](#). The (1) grand prize winner also will be notified by email, telephone, mail and/or overnight express mail. In the event of a tie, an additional “tie-breaking” judge, also selected by and under the supervision of Sponsor, will determine the winner using the same criteria stated above for determining the finalists. Subject to verification of the grand prize winner’s eligibility and receipt of all required documentation, as set forth below, the grand prize winner announcement will be final and binding in all matters relating to this contest.

Sponsor reserves the right to conduct an in-home assessment of the potential grand prize winner to determine feasibility of installing home heating and cooling equipment. Certain conditions, such as the lack of an existing central heating and cooling system or existing ductwork, may decrease the feasibility of delivering and installing the prize package and disqualify the potential winner from receiving the grand prize. If the selected winner does not meet the qualifications, then the next highest scoring finalist will be selected.

In addition to submitting the Finalist Documents, the potential grand prize winner will be required to execute and return a Liability Release and, where permitted by law, a Publicity Release (collectively, “Affidavit/Release”) as well as a completed IRS W-9 form via email (scanned copy) or fax within 48 hours of notification, and send the original forms via U.S. mail within seven (7) days following Sponsor’s notification (if applicable). If the potential grand prize winner does not return the Affidavit/Release and W-9 form within such seven (7) day period, or cannot be contacted at the contact information provided on the entry, or is otherwise unavailable to accept the prize for any reason, Sponsor may, at its option, disqualify such potential grand prize winner and award the grand prize to the finalist with the second highest number of votes, who will be subject to disqualification in the same manner. If all of the four finalists are disqualified, Sponsor may, in its sole discretion, award the grand prize to the next-highest scoring non-finalist, and so forth, until a winner is successfully qualified, or Sponsor may elect not to award the prize. By participating, entrants agree to abide by these official rules and instructions in the prize notification letter. Other than as set forth in these rules, or for general consumer inquiries pertaining to this contest and its procedures, neither Sponsor nor anyone acting on its behalf will enter into any communications with any entrant regarding the judging of any entry in this contest.

3a. One (1) Grand Prize Winner: Prize package includes either a Dave Lennox Signature Collection XC25 air conditioner or a XP25 heat pump, or Lennox heating, cooling and indoor air quality equipment selected by winner not to exceed \$10,000 USD in total value (including installation costs). The grand prize package also includes a \$500 gift certificate to an ice cream retailer selected by Sponsor and within a 25-mile radius of winner’s home and a \$200 gift certificate to a

water park within 50 miles of winner's residence, selected by Sponsor. In the event there is no ice cream retailer within a 25-mile radius of winner's residence, as determined by Sponsor, the winner will receive \$500 USD cash, and if there is no water park within 50 miles of winner's residence as determined by Sponsor, the winner will receive \$200 USD cash. (Approximate Retail Value - "ARV" - of grand prize package = \$10,700 USD). **Please note that winner is solely responsible for all federal, state, withholding and local taxes on receipt and use of prize, if applicable. No funds will be provided by Sponsor for payment of taxes.**

The Sponsor and its affiliated dealer will oversee installation of Lennox heating, cooling and indoor air quality equipment, and will require entry to the winner's home and clear access to existing central HVAC system to install new equipment. Equipment and installation costs combined must not exceed \$10,000 USD in total value. If total actual cost of installed heating, cooling or indoor air quality equipment is less than the above-noted ARV, winner will not receive difference between ARV and actual total cost.

3b. Additional Terms and Conditions Governing Prizes: No substitution, transfer of any prize (or part of the prize packages) or cash alternative permitted unless stated otherwise in these Official Rules. Prizes can only be used in association with the home identified on the entry form. Taxes and any other expenses not specified herein are winner's sole responsibility. Except where otherwise expressly noted in these Official Rules, the selection of all vendors, prizes, products, and services is subject to Sponsor's sole and absolute discretion. Additional restrictions may apply. If prize is unavailable, Sponsor may substitute prizes described herein for prizes of equal or greater value. For greater certainty, the decision to substitute a prize will be at a Sponsor's sole and absolute discretion.
